Experience Our Amazing Service

**WE WELCOME YOUR BUSINESS
AND ASSURE YOU OF OUR
CONSISTENTLY PROMINENT SERVICE**

WHY YOU SHOULD CHOOSE **PROMINENT LIMOUSINE?**

We specialize in providing executive transportation services. As a chosen provider for many multi-national companies, we are experienced with the specific requirements of busy executives and have a fleet of new, latest-model, luxury vehicles chauffeured by our team of hand-selected professionals.

We take pride in receiving excellent customer feedback and loyalty. Our customers tell us we are their preferred transport providers for the following reasons:

- ❖ Quality, latest-model, clean, luxury vehicles
- ❖ Professional, English-speaking drivers who have received specific training in providing excellent customer service to busy executives
- ❖ On time pickup. We understand that busy executives' time is precious and strive to never keep you waiting
- ❖ Monthly central invoicing detailing each journey to help your organisation monitor and track costs
- ❖ Central booking office - bookings can be made by phone, email or WhatsApp / SMS
- ❖ Simple and clear feedback process - we encourage all positive and constructive feedback.

About **PROMINENT**

We started with a dream to provide customized transportation services to corporations and other entities. Our team employs dedicated professionals in the transportation field, and aims to lead the industry in the UAE for managed transport services

Different from rental car services, we are focused on customized trip-management for our clients, including:

- Airport Services: Corporate transportation to and from regional airports
- Tailored Services: Executive transportation customized for groups & events

Our **VISION**

Excel in our industry by providing excellent service and keeping our customers satisfied.

Our **MISSION**

We provide customized, managed transportation services to corporations and other entities, and ensure a hassle-free transportation experience by providing superior services that cater to our customers' individual needs.
